I have passed my school education with A+ grade and syllabus is english medium

Fsc

Jun 2018-Sep 2020

Punjab group of colleges, Pasrur

Also passed fsc pre medical with 84% marks get A+ grade and this is the best experience of my study.

Bs Information Technology

Oct 2020 -Present

University of management & technology, Lahore

I am studying at university of management and technology in Lahore's main campus. Information technology scope the most famous nowadays and it will be most useful in the coming years even in whole life. This means we only get the scope in field of information technology.

I don't want to do IT after the Fsc. because my family wants me to become a doctor and I see the scope growing then put steps into the Bs degree and now work happily in it. Learning development of application and this is my passion.

Employement

Fiverr Freelancer

Mar 2016-Jul 2018

App designing, Online

First of all Allhamdulillah proud to be a freelancer at such an age of life. I believe in me that's why I am doing this. There is lot of hard work behind this to work as a freelancer . To work independently is my pleasure and also my happiness.

I have been never disappointed in the time while I was starting work on Fiverr even not getting any of the order. So patience give me more and I believe in my Allah with my own patience & hard work.

My Life rules

- Satisfy with only own hand made work.
- Hight working is best priority.
- Do the things when I want to do.
- Just focus on the work not to copy others
- My work is my passion.

About me

I always have time for my family and friends but I prefer my work to first and then happy to spend the extra time with. So, my work is the most important thing for me.

I always want my work to be done as soon as possible and ready to meet with others and look for other. Simply you will see if I get a chance to work with you

Thank You!
